1823-1824 TAX LIST for HARFORD COUNTY ELECTION DISTRICT 2

Page Left Intentionally Blank

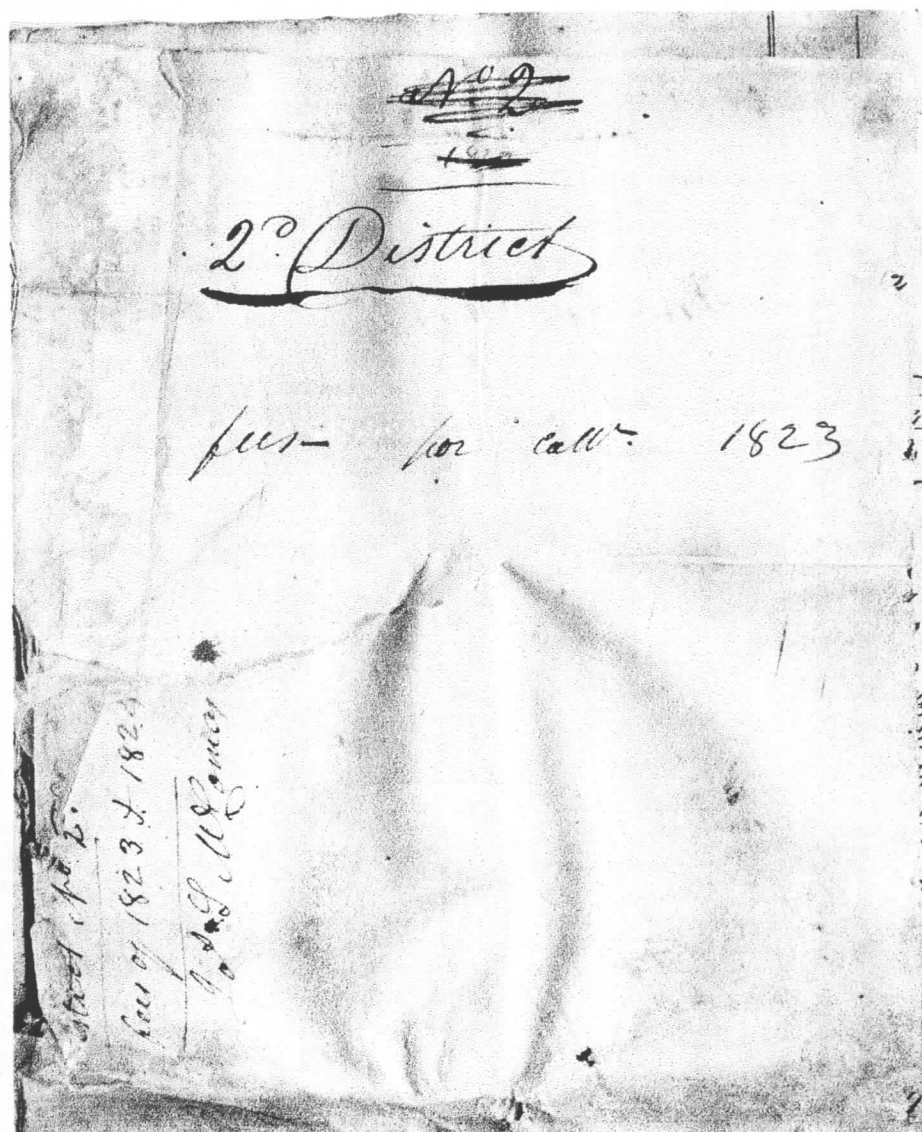

1823-1824 TAX LIST for HARFORD COUNTY ELECTION DISTRICT 2

The following pages contain images of the 1823 and 1824 Tax List for Harford County Election District 2, "Hall's X Roads". District 2 is most associated with the town of Aberdeen, but also includes other familiar names such as Lapidum and Michaelsville. Some other lesser known or 'older name variations' may also be familiar to the reader: Perrymansville (Perryman), Mechanicville (Aldino) and Hopewell (Level).

The pages, now loose and folded, had obviously been bound at one time. Many of the edges, and other sections, are damaged. Additionally, some sections blurred when they were electronically pieced. But for the most part, the pages are surprisingly resilient.

Each full size page is shown in two pieces, Top & Bottom, with approximately 1 inch of duplicated area (at the bottom of the top section and the top of the bottom section). This document is laid out so that the top half is on the left side and the bottom half is on the right as you turn the pages.

Enjoy, and good (re)searching.
